

# The Summer Book

## This is how it works

- Read 6 books between June 11 and August 28, 2021. Choose the way that suits you best - read on your own, along with an adult or listen.
- Borrow your books at Vetlanda library, the mobile library or one of our local libraries.
- When you have finished reading a book, fill in the author's name and the book's title in the Summer Book brochure.
- Write briefly about one of the books on the back of the brochure.
- When you have read all 6 books, leave the brochure at the library and you get a book as a reward! You may also win a gift card from Björns bookstore!
- Ask a member of staff if you have any questions about The Summer Book, we are always happy to help.

Keep in mind that you can only participate once.
